DECLARATION UNDER 37 C.F.R. § 1.131

Commissioner for Patents
Alexandria, VA 22313-1450

Dear Sir:

Zili Li declares and states:

1. I am an inventor of the subject matter claimed in the above-identified U.S. Patent application.

2. Prior to October 25, 1999 (the filing date of U.S. patent 6,518,944), my co-inventors and I had completed the invention described and claimed in the above-identified U.S. Patent application, as evidenced by the following facts:

(a) Prior to October 25, 1999, while in the course of research and experimentation at Motorola, Inc. in Schaumburg, IL, Zili Li and my co-inventors

described a display in accordance with at least claims 1 and 16 of the above identified U.S. Patent application, as evidenced by the enclosed innovation disclosure, which includes page number 581235 of my laboratory notebook and some technical descriptions of the invention;

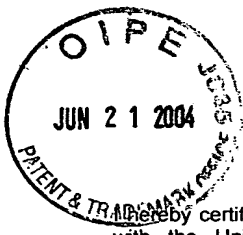

(b) Prior to October 25, 1999, while in the course of research and experimentation at Motorola, Inc. in Schaumburg, IL, I and my co-inventors had a display prepared and characterized, as evidenced by the enclosed project report, in which Zili Li summarized some aspects of the invention described and claimed in at least claims 1 and 16 of the above-identified U.S. Patent application.

3. Dates have been deleted from both documents. Each of the dates deleted from the enclosed pages of the innovation disclosure and from the project report is prior to October 25, 1999.

4. The undersigned declares further that all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of this application or any patent issuing thereon.

DECLARATION UNDER 37 C.F.R. § 1.131

Commissioner for Patents
Alexandria, VA 22313-1450

Dear Sir:

Iwona Turlik declares and states:

1. I am an inventor of the subject matter claimed in the above-identified U.S. Patent application.

2. Prior to October 25, 1999 (the filing date of U.S. patent 6,518,944), my co-inventors and I had completed the invention described and claimed in the above-identified U.S. Patent application, as evidenced by the following facts:

(a) Prior to October 25, 1999, while in the course of research and experimentation at Motorola, Inc. in Schaumburg, IL, Iwona Turlik and my co-inventors

described a display in accordance with at least claims 1 and 16 of the above identified U.S. Patent application, as evidenced by the enclosed innovation disclosure, which includes page number 581235 of Zili Li's laboratory notebook and some technical descriptions of the invention;

(b) Prior to October 25, 1999, while in the course of research and experimentation at Motorola, Inc. in Schaumburg, IL, I and my co-inventors had a display prepared and characterized, as evidenced by the enclosed project report, in which Zili Li summarized some aspects of the invention described and claimed in at least claims 1 and 16 of the above-identified U.S. Patent application.

3. Dates have been deleted from both documents. Each of the dates deleted from the enclosed pages of the innovation disclosure and from the project report is prior to October 25, 1999.

4. The undersigned declares further that all statements made herein of her own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of this application or any patent issuing thereon.
